## DISCLOSURE

*The materials provided herein are for general information purposes only and may not be copied or redistributed without Jackson Square Partners, LLC's ("Jackson Square") prior consent. The views expressed herein represent Jackson Square Partners, LLC's opinions as of the date of this publication and are subject to change and should not be considered a recommendation to buy, hold, or sell any security, and should not be relied on as research or investment advice. All information contained herein is subject to change and may contain projections and forward-looking statements.*

*The information provided for companies listed on this report represents Jackson Square's engagement with management on relevant Environmental, Social, and Governance ("ESG") topics for the calendar year listed. The information is provided to illustrate the integration of ESG in our investment process. Additional information on the selection criteria and a full list of holdings is available upon request. Not all investments in companies listed were or will be profitable.*

*Jackson Square considers ESG factors as part of its investment process and follows a principles-based ESG framework that is subject to change. Jackson Square does not seek to implement a specific ESG, impact or sustainability strategy.*

*Please refer to our ESG Policy found on our [website](#) for a complete list of ESG factors and key principles considered as part of the evaluation process.*
